PROFESSIONAL MASTER

A Professional Master's is a Professional Diploma Title and programme designed to meet real-world industry needs. It is awarded by BSBI, with the academic qualification conferred by Cualificam

Accessible via professional entry route: 3 years of managerial experience in relevant industry

The programme includes **1 year of academic study** followed by a **3-month internship** in a company based in **Spain**.

MANDATORY INTERNSHIP

During the studies BSBI students will undertake an integrated practical internship in the fourth term of their programme. During this time, they will take the first steps towards their desired field of work and have the opportunity to reflect on your projected career path.

Students pursuing the Professional Masters programmes must complete a professional training module during their studies*

 **Note:** Senior students (student with managerial experience) may be exempt if they can demonstrate relevant professional experience.

CREDITS, DURATION AND REMUNERATION

The internship will be effective at the end of your master classes (Term 4).

Your mandatory internship module is fully accredited and offers 12 ECTS credits. The minimum duration of the module is 300 hours (12 weeks or three months).

In parallel with the dissertation.

WORKING HOURS, LOCATION AND TIME

The maximum number of hours you can work during your internship module depends on local regulations and should be discussed with your local career advisor. Your internship must take place in the country where you are studying.

BSBI & CUALIFICAM ACCREDITATION

CUALIFICAM is a quality certification procedure developed by the Fundación para el Conocimiento Madrimasd in Spain, aimed at certifying the quality of Professional Master's Programmes. This certification ensures that these programmes meet high standards of academic excellence and align with the European Higher Education Area (EHEA) guidelines.

CUALIFICAM plays a significant role in enhancing the quality and recognition of professional master's education in Spain, benefiting students, educational institutions, and employers alike.

DUAL PROGRAMME AWARD: BSBI & CHICHESTER

You can earn an academic degree in addition to your professional diploma, awarded by the University of Chichester

Accessible via academic route only

Application available only when is accepted for the professional master and student has arrived in Spain

UNIVERSITY OF CHICHESTER PARTNERSHIP

BSBI is proud to announce the academic partnership with the University of Chichester, a respected UK public university awarded a Gold rating in the 2023 Teaching Excellence Framework (TEF). This strategic collaboration marks a significant milestone in BSBI's international development and reinforces both institutions' commitment to global academic collaboration and student mobility. This partnership will create expanded study opportunities for BSBI students in Germany and support joint academic initiatives and international learning experiences between the two institutions.

ACADEMIC RECOGNITION

- **Gold rating** for teaching excellence – among top UK universities (only 51/227 received Gold).
- **University of the Year** for Teaching Excellence 2026 – Awarded by Daily Mail University Guide
- National Student Survey **ranked 6th in the UK** for teaching and **12th overall** (out of 131 institutions).
- **Guardian University Guide 2025**: Ranked 26th (up 12 places, top 30 consistently).

VISA INFORMATION

STUDENTS OUTSIDE EU/EEA

Deadline to apply is two months before the selected intake

Apply for the student visa and residence permit in advance. Visit your nearest Spanish Embassy in your home country/current country of residence and ask for information or navigate online in the Spanish Ministry of Foreign Affairs website.

The type of visa required for non-European nationals pursuing studies in Spain is the study Visa type D.

Any other type of Visa will not enable obtaining a TIE (Tarjeta de Identidad de Extranjero or Foreigner's Identity Card), so students must ensure that they apply for the correct Visa. Once they arrive in Spain, they must visit a police station within 30 days to apply for their TIE.

EU/EEA STUDENTS

**A SEPARATE SESSION WILL BE ORGANISED
FOCUSING SOLELY AROUND VISA**

Deadline to apply is one week before the selected intake

European Union students or of Liechtenstein, Iceland, Norway and Switzerland, are entitled to free movement and residence in Spain.

However, if they exceed 3 months of residing in Spain, they must register at the Central Registry Office for Foreigners to be issued with a Number Identification as a Foreigner (NIE) – identification and tax number for administrative purposes for all foreigners.

EMPADRONAMIENTO

The Spanish law requires all nationals and expat residents who live more than 6 months in Spain to register at the city hall (Padrón Municipal de Habitantes).

Proof of residence from a contract in your local area (Spain), such as a letter/or rental contract confirming that you live there. This can be provided by your property host.

POST STUDY WORK VISA

Students who successfully graduate from a Professional Master's programme in Spain can modify their residence if they find an employer. Certain conditions must be met by both the employer and the student.
